Employment change is here... is your business ready?

- Finding good staff is getting harder
- Join us and have access to over 500 jobseekers who have a range of skills, talents and abilities

It costs nothing to give someone a work trial and yes.....

It's obligation free.

Studies prove that our job seekers.....

- ***Are more Reliable*** – our clients WANT to work.
- ***Are more Flexible*** – People with barriers have differing abilities and can undertake either simple repetitive tasks or highly skilled work.
- ***Can improve the morale of your workplace*** – Staff frequently report increased job satisfaction when a person with a disability joins the team.
